With a vision to revolutionize the interior design industry, Bonee Sharma established 3 Square Studio in 2008. Witnessing the remarkable success of the company in this field Bonee charted the expansion plan for 3 Square Studio.

Presently 3 Square Studio has rebranded as Makespace Design & Build Pvt. Ltd. Bonee Sharma, in the capacity of Managing Director, remains the driving force behind Makespace Design & Build, steering the company towards its mission.

Managing Director

About Makespace Design and Build

The firm makes a conscious approach at every end to deliver functionality in its absolute aesthetic self. Our team seeks out to have an active engagement in understanding and delivering bespoke interior solutions. The artistic passion to create extraordinary spaces with detailed craftsmanship reflects in the intricate sophistication of each project.

15+ Years of Experience

450+ Projects Completed

70+ Team Members

"Let your space express
your essence even before you do!"

A finely crafted environment not only fulfills your practical needs but also mirrors your individuality. The fusion of personalization and subtle preferences with innovation, comfort, and luxury yields spaces that are not only visually captivating but also mentally soothing. Each sector within the industry presents intriguing challenges, and our approach always revolves around the user.

Our commitment is to provide exceptional, uniquely tailored solutions that set new standards in every facet of design.

Our Strength

1

One Stop Solution

Welcome to Makespace, the premier destination to all your interior decorating and design dreams. Our expert teams of designers and decorators are poised to transform your visions into tangible reality.

2

Client Satisfaction

Customer satisfaction is a measure of how well a product or service meets or exceeds customer's expectations. A key indication of any business's success involves feedback and addressing customer needs and concerns to improve overall satisfaction.

6

Exceptional Design Quality & Finishing

We believe that every project we do should be both beautiful and functional, and we know how to combine these two elements in a way that creates something that is exceptional.

5

Value for Money

Achieving value for money in interiors involves a thoughtful balance between quality, functionality, aesthetics and budget conscious decisions. Our Team guides you in making informed choices and planning strategically.

3

Timely Execution

Our promptness is our strength. We strongly believe that working in a given timeframe is a critical aspect of project management. With a track record of timely execution, we have benefitted in maintaining great customer relations.

4

Industry Expert

Our team experts will guide you to transform your interior spaces into aesthetically pleasing, functional and harmonious environment, keeping the budget in mind. These experts will bring a unique blend of creativity, technical knowledge and project management skills to create functional interior spaces.

We specialize in delivering turnkey interior fit-out services that adhere to international benchmarks. Our comprehensive range of services spans various sectors and is orchestrated and seamlessly integrated through our project management proficiency, ensuring harmonious execution and swift delivery.

Scope of Professional Services

INTERIOR DESIGN

With the evolution of interior design, we've uncovered the beauty of simplicity. It's the foundation of well-organized rooms and tastefully decorated spaces. Our aim is to collaborate with our clients in shaping spaces that resonate emotionally with them and leave a lasting impression on their guests.

BESPOKE FURNITURE

We firmly believe in designing spaces that prioritize the user's experience. Every piece of furniture is meticulously crafted in-house using the finest materials available. Our objective is to offer you a personalized retreat – a place where you can relax and bask in the comforting ambiance of home.

TURNKEY EXECUTION

Comprised of a team of experienced professionals, we take pride in ensuring that your project aligns with the utmost standards. Drawing from our extensive track record, which includes the successful management of various high-end projects, we have the capacity to skillfully coordinate multiple agencies. This guarantees the timely delivery and top-tier quality of your project.

PROJECT CONSULTANCY

If you're seeking an efficient approach to project management, we have the expertise you need. Our process encompasses design-quality management reviews, consultant coordination, budget oversight, regular daily and weekly reporting, task scheduling, and verification of the bill of quantities (BOQ) at frequent intervals.

TURNKEY
PROJECTS

The creation of tasteful spaces finds its true expression in bespoke interiors. Crafting exceptional designs necessitates a keen eye for proportions, a flair for color, highly skilled craftsmen, and extensive expertise in materials and details. Transforming digital designs into reality requires vigilant supervision, rigorous quality control, budget management and exceptional coordination.

Private Residential Projects

PRIVATE
Residential
Projects

The key skill in crafting exceptional residential spaces is effective communication with the client. It begins with exploring diverse concepts and assembling mood boards for finishes and materials - a fundamental step in our process. Our goal is to address all your requirements during the initial phase, allowing us to seamlessly integrate items into your space in the most functional manner.

The finishing touches define a space's character. We are dedicated to hand-selecting lighting fixtures and display items that align with your personal taste, ultimately transforming a house into your warm and welcoming home.

CORPORATE

Our turnkey project management approach ensures the steadfast adherence to time lines and the fulfillment of our commitments. When it comes to design, our methodology is marked by exceptional flexibility. We gracefully navigate through traditional, modern, and eclectic styles, crafting honest and timeless interiors infused with vibrant and imaginative concepts. Our relentless dedication and passion drives us to continuously explore new avenues for growth and innovation.

Corporate Projects

PROJECTS

By combining innovative concepts with sustainable materials, Makespace has emerged as a prominent force in the industry. Our commitment lies in crafting dynamic workspaces that not only promote productivity but also exude a sense of style and purpose.

We provide turnkey interior fit-out services that meet the global standards. These comprehensive services span across various verticals and are seamlessly synchronized and integrated through our project management expertise, ensuring harmonious and efficient execution.

Our intensive approach involves a thorough understanding of the brand before we embark on crafting a space that serves as its perfect embodiment. This approach allows us to delve into the intricacies of customer engagement and elevate the brand's worth. Our mission revolves around constructing spaces that not only fuel business growth but also leave a lasting impression on their customers. Our precise methodology encompasses optimizing item placement and refining finishes to create a remarkable visual narrative, a fundamental aspect of our work in retail store design.

Retail Projects

Effective retail interior design is crucial for attracting customers, creating memorable shopping experiences, and ultimate sales. This ensures our attention into aspects like branding, traffic flow, visual merchandising, lighting, sensory elements, technology integration, accessibility, sustainability, security and overall customer experience. Retail interior design is a strategic combination of aesthetics and functionality.

Retail Projects

Makespace Design & Build is your all-inclusive destination for restaurant consultancy and themed restaurant design. We specialize in providing comprehensive design solutions, incorporating distinctive and trendy furniture pieces that offer both comfort and style. From creating captivating entrances and setting the mood with lighting to designing a well-thought-out layout and selecting the perfect color palette, these are the essential elements that contribute to crafting a truly stunning restaurant.

Hospitality Projects

Our design process is dedicated to perfecting every detail. We also provide expertise in acoustics, creating a harmonious environment where diners can comfortably converse. Additionally, we offer sustainable design options, making your restaurant eco-friendly and aligned with modern values. We take pride in transforming your space into a thriving restaurant that leaves a lasting mark in the culinary world.
